The text is centered and includes the acronym 'CTE', its full name 'Career Technical Education', and a paragraph explaining the focus of these classes.

CTE

Career Technical Education

These classes seek to provide knowledge and skills that students need prior to entering a career or preparing for college in the designated pathway. This particular pathway is Arts, Media and Entertainment. Students do not have to commit to pursuing a career in theatre to take this class.

Hybrid of Class & Productions (how it works)

When not in production, we meet for class on Tuesdays and Thursdays from 3:45-4:45 to learn about theatre

When in production, we meet for rehearsal & design on Mondays, Tuesdays, Thursdays 3:45-5:45 and Saturdays 11:00-4:00 to create theatre

As we get closer to performances the rehearsal hours will be longer

***Radium Girls* Oct 26-28**

Student Directed '24 Hour' Nov 9-10

'Chapfest' Feb TBD

***Something Rotten* Mar 7-9**

Student Directed 'Spotlight' Apr 18-20

Thespian Troupe 6074

Our troupe was established in 2015. Thespians is the only international theatre honor society for high school students that's been around since 1929 and is recognized by all higher learning institutions. Some of the benefits include: national recognition on college apps, scholarship opportunities, support to students in the arts (ie monthly magazine, suggestions online for auditions, writing etc). A really good way to learn more about Thespians is to go to their website: schooltheatre.org. In addition to promoting & practicing excellence in theatre, our troupe does community service, fundraising and social events. A member is an apprentice until they are inducted officially into the troupe.

Expectations:

Attendance, Communication, Respect, Responsibility

Grades:

Attendance & Participation

Finding Information:

Google Classroom, Remind, Parent Square, Email

Important Dates:

Calendar, Syllabus, PPC

A note about attendance: It is taken at each class meeting or rehearsal (including Saturdays). Like sports teams that have Saturday games, attendance is expected. Like any other OPHS classes weekday attendance is expected

Other Information

Carpooling: We have families from several surrounding areas, please make your life easier and look into carpooling

Drop off & Pick Up: theatre is a dynamic process, sometimes we finish before expected and sometimes it may take just a bit longer than expected. We do our best to stick to the exact time listed on the call schedule, so please be patient with us. Plan on arriving for pick up 5 mins before the wrap time. I would rather you wait for your child than your child wait for you-especially when it starts to get dark out.

No rehearsal this Saturday 9/2 Enjoy the long weekend!
